The guarantors provide joint liability guarantee to Haitong Unitrust for the liabilities of Heilongjiang College of Business and Technology under the Finance Lease Agreement (Haitong).

REASONS FOR AND BENEFITS OF ENTERING INTO THE FINANCE LEASE ARRANGEMENT (HAITONG)

By entering into the Finance Lease Arrangement (Haitong), the Group would gain access to financial resources to fund the construction of Hanan Campus and support its general working capital needs while the Group's operation would not be adversely affected by the sale of the Leased Assets (Haitong), because such assets are immediately leased back to the Group. There is no transfer of possession or use of the assets to Haitong Unitrust under the Finance Lease Arrangement (Haitong). According to the International Financial Reporting Standards, the transactions contemplated under the Finance Lease Arrangement (Haitong) do not constitute a disposal of assets and will not give rise to any gain or loss to be recorded in the Group's income statement. Upon expiry of the lease term, the Group could pay the nominal retention money to have the Leased Assets (Haitong) transferred back to the Group. Therefore, in substance and in terms of accounting treatment, the Finance Lease Arrangement (Haitong) are in effect the largely similar to borrowing a secured loan.

The Directors are of the opinion that the terms and conditions of the Finance Lease Arrangement (Haitong) are on normal commercial terms, fair and reasonable and in the interests of the Company and its Shareholders as a whole.
